Wire Harness

COMPANY PROFILE

Annxin Technology Co., Ltd. is located in Dongguan City, Guangdong Province, China. Specializing in the production of OEM/ODM Wire Harness and Processing of various terminal wires for more than 11 years, we also accept OEM/ODM orders. In addition, our company has a professional foreign trade team of 20 people, who can serve you 24 hours a day, and have senior development and design. There are 5-10 engineers, samples can be provided within 1-3 days, and conventional products have a large amount of inventory, which can be shipped at any time. We cooperate with each other to develop and manufacture.

The factory covers an area of 20,000 square meters, has a large number of advanced automation equipment, has experienced technical and management personnel, and has annual sales of about 50 million US dollars. We have established stable business relations with domestic and foreign customers. Our products have passed a number of strict tests, such as ISO9001, SGS, CE and so on.

Our company promises: reasonable price, short production period, satisfactory after-sales service, common development, mutual benefit, welcome to inquire!
