

Professional security manufacturer

Release Button Series

Technical parameters

Model name	801L(with LED)
Dimensions	L86xW86xH26(mm)
Current Rating	3A@36VDC
Standard Structure	Stainless steel Panel,Steel Button
Output Contact	COM / NO/NC
Mechanical Life	500,000 times
Applications	Hollow Door
Operating Temp	-10° ~ + 55°(14-131F)
Shell Material	Stainless steel
Operating Humidity	0-95%(relative humidity)
Weight	0.15KG
