All-In-One PD65W ETL Certified 10000mAh Magsafe Wireless Wall Charger Power Station

...

Model No. WP10320

Key Features and Functions

- Support wireless charging for iPhone/Airpods/iWatch, support charge 3 devices at the same time
- Built-in UL approved A grade 10000mAh Li-poly battery cell
- Two input modes: AC100-240V, 50/60Hz, 0.5A or Type C PD30W
- Output (AC mode): Type C: PD65W, USB-A: QC3.0 (18W), Wireless: 15W. C+A: PD45W+18W, C+Wireless: PD45W+15W, A+Wireless: Share 15W. C+A+Wireless: PD45W +15W (A+Wireless share)
- Output (power bank mode): Type C: PD45W, USB-A: QC3.0 (18W), Wireless: 15W. C+A: share 24W, C+Wireless or A+Wireless or C+A+Wireless: Share 24W, wireless 10W max.
- Portable size 113x65x30mm, easy to take, specific holes for hanging rope
- Foldable US standard plug, also can come with Europe/UK/AU plug adaptor (with switch lock)
- On/off switch, digital LCD indicates battery volume
- ETL/Qi/CE/FCC/RoHS compliant

Qi2.2 Magsafe Cooling 25W Steel-Hinge Kickstand Wireless Charger

Model No. WP00186

Key Features and Functions

- Active cooling smart mute fan inside to keep stable 25W fast charging
- Strong N52H magnets inside, holding on IP12 or later models firmly
- Stand stably your phone on table while charging
- Compatible with MagSafe phone cases
- USB-C input: 15V/2A (PD30W)
- Output: 25W/15W/10W/7.5W/5W
- Qi/CE/FCC/RoHS compliant

Qi2.2 Magsafe Cooling 25W Wireless Air-vent Car Charger

...

Model No. WP02302

Key Features and Functions

- Active cooling smart fan inside to keep stable 25W fast charging
- Strong N52H magnets inside, holding on IP12 or later models firmly
- Clamp style air-vent clip with support plate, easy to install and more stable
- Can be rotated freely, also can change the car mount by yourself easily
- USB-C input: 15V/2A (PD30W)
- Output: 25W/15W/10W/7.5W/5W
- Qi/CE/FCC/RoHS compliant

Also can fit with other car mount (option)

Qi2.2 Aluminium Housing Magsafe 25W Wireless Charger with 1m Braided Cable

Key Features and Functions

- Strong N52H magnets inside, holding on IP12 or later models firmly even if hang it
- Aluminium housing with soft silicon pad, size D57x6.8mm, cable length 1m
- Compatible with MagSafe phone cases
- Input interface: USB-C male
- Input: 15V/2A (PD30W)
- Output: 25W/15W/10W/7.5W/5W
- Qi/CE/FCC/RoHS compliant

Model No. WP00184

6 in 1 ETL/CE Certified 10000mAh 22.5W Portable Magsafe Wireless Wall Charger Power Station with C-C cable hanging rope

...

Key Features and Functions

- Support wireless charging for iPhone/Airpods/iWatch, support charge 3 devices at the same time
- Built-in UL approved A grade 10000mAh Li-poly battery cell
- Two input modes: AC100-240V, 50/60Hz, 0.5A or Type C port PD20W
- Output (AC mode): Wireless: 15W, USB-C: PD20W (PPS 22.5W), USB-A: QC3.0 (18W), C+L+Wireless: Share 5V/3A (15W)
- Output (power bank mode): Wireless: 15W, USB-C: PD20W (PPS 22.5W), USB-A: QC3.0 (18W), C+L+Wireless: Share 5V/3A (15W)
- Foldable US standard plugs, also can come with Europe/UK/AU plug adaptor (with switch lock)
- USB C-C cable hanging rope, use for output and input easily
- Portable size only 75x70x34mm, easy to take
- On/off switch, digital LCD indicates battery volume
- ETL/Qi/CE/FCC/RoHS compliant

Model No. WP10318

UK plug adaptor

EU plug adaptor

AU plug adaptor

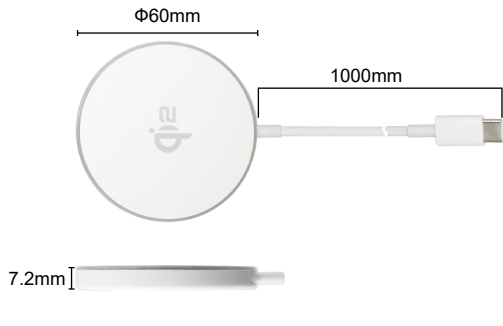

Qi2.2 Certified 25W 3-in-1 Magsafe Cooling Wireless Charger for iPhone/Airpods/iWatch

Model No. WP00732

Key Features and Functions

- Active cooling smart mute fan inside to keep stable 25W fast charging for iPhone
- Plastic housing + metal pole with metallic painting, angle of magnetic holder can be adjusted
- Strong N52H magnets inside, holding iPhone or phone with Magsafe case firmly
- Charge three devices iPhone/Airpods/iWatch at the same time
- USB-C input: PD45W
- Output: 25W for iPhone, 3W for AirPods, 2.5W for iWatch
- On/off touch switch for cooling fan, LED indicator
- Dimension 100x100x135mm, net weight 335g
- Qi2.2/CE/FCC/RoHS compliant

Qi2 Certified Magsafe 15W wireless charger with circle LED indicator

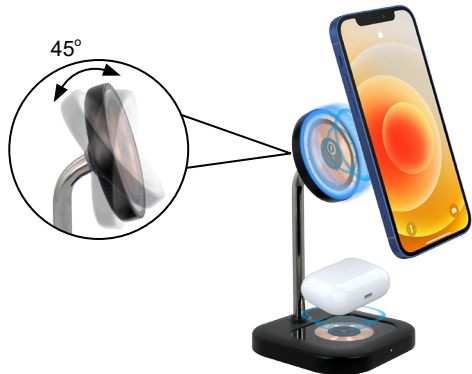

...

Model No. WP00183

Key Features and Functions

- Holding the IP17/16/15/14/13/12 firmly even if hang it
- High shine plastic housing with soft silicon pad, size D60x7.4mm, cable length 1m
- Compatible with MagSafe phone cases
- Input: 5V/3A, 9V/2.22A, 12V1.5A(support QC3.0 or PD 20W)
- Output: 15W/10W/7.5W/5W
- Input interface: USB-C male
- Qi/CE/FCC/RoHS compliant

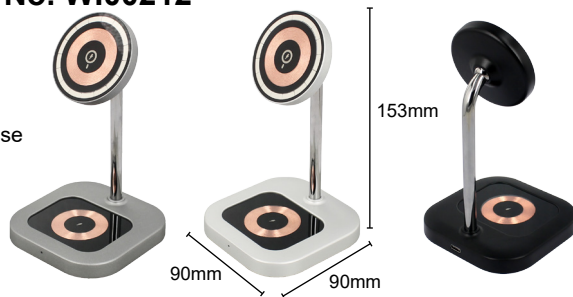

2-in-1 Zinc-Alloy Magsafe Wireless Charging Stand for iPhone and AirPods

Model No. WI00212

Key Features and Functions

- Baking finish zinc alloy housing with transparent panel on charging area
- Angle of magnetic holder can be adjusted
- Strong N52 magnets inside
- Compatible with iPhone 12 and later models, and other mobile phones with magsafe case
- USB-C input: PD20W
- Output: Magnetic Wireless: 15W Max, AirPods Wireless: 5W
- Qi/CE/FCC/RoHS compliant

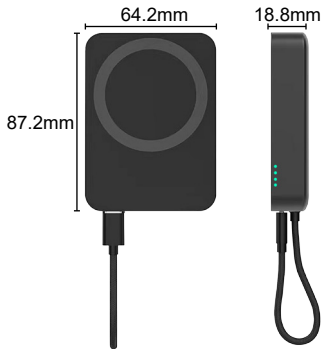

Ultra Slim 5000mAh Magsafe Wireless Charging Power Bank

Key Features and Functions

- Full Aluminium Housing with acrylic transparent panel
- Size only 103x68x7.2mm, holding on IP12 or later models firmly and easily
- Built-in UL approved A grade 5000mAh Li-poly battery cell
- USB-C input: DC5V/3A, 9V/2.22A, 12V/1.67A (QC3.0 or PD20W)
- Two outputs: Wireless: 15W/10W/7.5W/5W, USB-C: PD 20W. When charge 2 devices at the same time, share 5V/3A
- On/off switch, 5 LEDs indicate working status and battery volume

Model No. WP05226

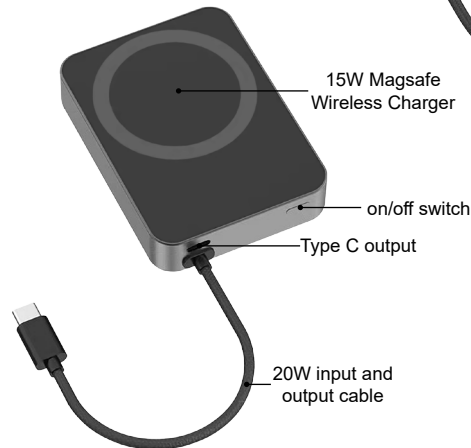

Aluminium Housing Magsafe Wireless Charging 10000mAh Power Bank with Fixed USB-C Cable

Model No. WP10311

Key Features and Functions

- Built-in UL approved A grade 10000mAh Li-poly battery cell
- Compact size only 88x64x18.8mm, holding on IP17/16/15/14/13/12 firmly and easily
- USB-C cable input: DC5V/3A, 9V/2A(QC3.0 or PD20W)
- Three outputs: Wireless:15W/10W/7.5W/5W, USB-C cable:PD20W, USB-C port: PD18W. When charge 2 or 3 devices at the same time, share 5V/3A
- On/off switch, 4 LEDs indicate battery volume
- Qi/CE/FCC/RoHS compliant

Qi2.2 Magsafe Cooling 25W Wireless Air-vent Car Charger

Model No. WP02301

Key Features and Functions

- Active cooling smart fan inside to keep stable 25W fast charging
- Strong N52H magnets inside, holding on IP12 or later models firmly
- Clamp style air-vent clip with support plate, easy to install and more stable
- Can be rotated freely, also can change the car mount by yourself easily
- USB-C input: 15V/2A (PD30W)
- Output: 25W/15W/10W/7.5W/5W
- Qi/CE/FCC/RoHS compliant

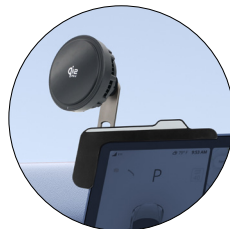

Also can fit with other car mount (option)

Qi Magsafe Streamline 15W Wireless Fast Car Charger

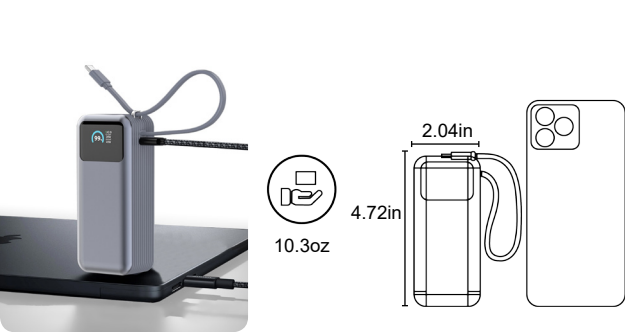

...

Model No. WP00376

Key Features and Functions

- Strong N52H magnets inside, holding on IP12 or later firmly and easily
- Streamline design with transparent panel & metallic paint housing
- Clamp style air-vent clip with support plate, easy to install and more stable
- Can be rotated freely, also can change the car mount by yourself easily
- USB-C input: 5V/3A, 9V/2.22A, 12V1.5A (support QC3.0 or PD 20W)
- Output: 15W/10W/7.5W/5W
- Qi/CE/FCC/RoHS compliant

ETL Certified PD65W Digital Display 10000mAh Built-in Type-C Cable Wall Charger Power Bank

...

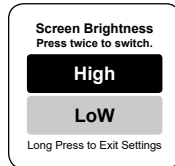

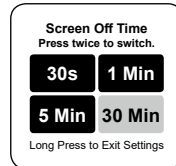

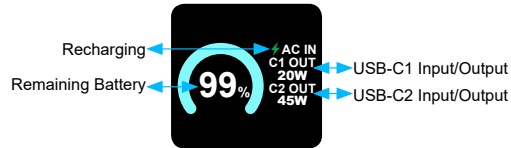

Model No. UC31636

Key Features and Functions

- Smart digital display indicates working status and battery volume, brightness adjustable
- UL approved A grade 10000mAh Li-ion battery cell inside
- Two input modes: AC100-240V,50/60Hz,1.7A or Type C port PD30W
- Output(AC mode): C-port: PD65W, C-cable:PD20W, C-port+C-cable: PD45+PD20W
- Output(power bank mode): C-port: PD30W, C-cable:PD30W, C-port+C-cable: share 5V/4A
- Portable size 120x52x36mm, weight 292g, foldable US standard plug
- ETL/CE/FCC/RoHS compliant

Smart Display

PA03384

- GaN Ultrathin ETL Approved **65W** PD Mode 2C+1A Foldable US Plug Travel Charger
- Output: when one port work alone, C1:PD65W, C2:PD65W, USB-A: QC3.0(18W)
When work simultaneously
C1+C2 : PD45W+PD18W
C1+A: PD45W +QC3.0
C2+A: 7.5W+12W

C1+C2+(C3+A): PD65W+PD45W+5V/3.6A(C3&A share)
- US/EU/UK standard AC plug
- Size: 67*63*31mm, net weight 215g

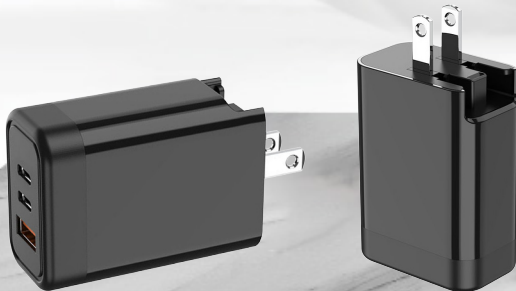

PA03360(US)

PA03362(EU)

PA03363(UK)

- GaN ETL&CE approved **65W** PD mode 3-ports mini travel charger
- Output: when one port work alone, C1:PD65W, C2:PD20W, USB-A: QC3.0(18W)
When work simultaneously
C1+C2 : PD45W+PD20W
C1+A: PD45W +QC3.0
C2+A: 5V/3A(shared)
C1+C2+A: PD45W+5V/3A(C2&A shared)
- Size: 62x45x28mm
- US/EU/UK standard AC plug
- ETL/cETL/CE/FCC/Rohs compliant

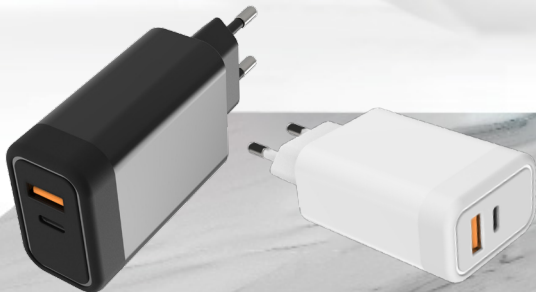

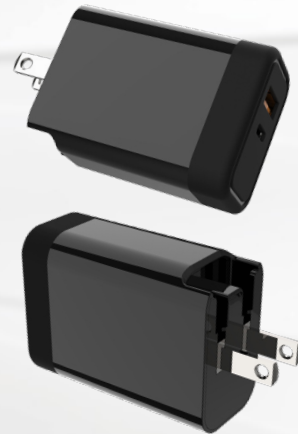

PA03277(US)

PA03278(EU)

PA03279(UK)

- GaN ETL&CE Approved **48W** PD Mode Dual Output Wall Charger
- Output: when one port work alone, USB-C: PD45W, USB-A: QC3.0(18W)
when work simultaneously, output: PD30W+QC3.0(18W)
- Total power 48W
- US/EU/UK standard AC plug
- Size: 62*45*28mm
- ETL/cETL/CE/FCC compliant

PA03153

- ETL approved **35W** PD mode travel charger
- Type C output: 5V/3A,9V/3A,12V/2.92A,15V/2.33A,20V/1.75A
- Size: 45*42*28mm
- Foldable USA standard AC plug
- ETL/cETL/CE/FCC compliant

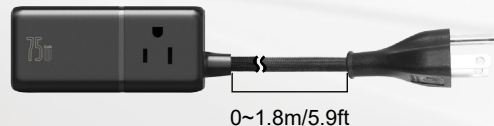

PA03152

- GaN Ultrathin ETL Approved **35W** PD Mode Foldable US Plug Travel Charger
- Output: 5V/3A,9V/3A,12V/2.92A,15V/2.33A, 20V/1.75A
- Size: 65.5x41x16.3mm
- Foldable USA standard AC plug
- ETL/cETL/CE/FCC compliant

PA03839(US)

- GaN PD**75W** Desktop Charger with USA Standard 3-Phase AC Socket
- Output interface: 3xUSB-C, 2xUSB-A, 3xSocket
- Input: AC100-250V/10A, rated power 1250W
- Output:
 - USB-C1/C2/C3: 5V/3A, 9V/3A, 12V/3A, 15V/3A, 20V/3.35A
 - USB-A1/A2: 5V/3A, 9V/3A, 12V/3A, 20V/3A
 - USB-C1+C2 / C1+C3 / C2+C3: 45W+30W
 - USB-A1+A2: 45W+30W
 - USB-C1+C2+C3: 35W+20W+20W
 - USB-C1+(C2+C3)+(A1+A2): 45W+15W+15W
 - USB-C1+(C2+A1)+(C3+A2): 45W+15W+15W
- Total output of USB ports: 75W max
- Compact and sleek design, size 98.2x48x44.3mm
- Fixed cable length 1.8m, US standard 3-Phase AC plug
- UL/cUL/CE/FCC/ROHS compliant

PA03840(EU)

- Europe standard 1x Socket and AC plug
- Rated power 2500W

PA03841(UK)

- UK standard 1x Socket and AC plug
- Rated power 2500W

Two-Layers Strong Protection TPU+PC Magsafe Shock Absorption Case

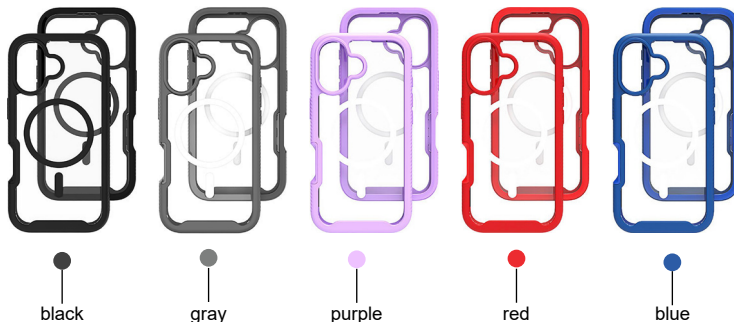

Two-layer structure
Easy to install
and Disassemble

Model No. PT-137

- 360 degree totally protection, two-layer structure, easy to install and disassemble
- Matting hand feel surface, anti-scratch and anti-finger mark
- Strong N52/2400 gauss magnets, suction force up to 1.2kg
- Support fast&stable wireless charging, no signal effect, work with all magsafe accessories perfectly
- Four coners with shock absorption bumper design, drop test up to 1.2m
- Rear panel thickness 2.0mm, rim thickness 3.5mm, 5 colors available
- Available models: iPhone 16/17/SE series and Samsung S25/26/FE series etc

Frosted Silky Touch Kickstand TPU+PC Magsafe Shock Absorption Case

Model No. PT-204

- 0-60 degree adjustable kickstand, hold the phone on table stably
- Hand-feel painting, smooth and soft touch, anti-stain and anti-finger mark
- Strong N52/2400 gauss magnets, suction force up to 1.2kg
- Support fast&stable wireless charging, no signal effect, work with all magsafe accessories perfectly
- Four coners with shock absorption bumper design, drop test up to 1.2m
- Front edge higher 1.2mm than screen, back camera edge 1.6mm raised, anti-scratch protection
- Rear panel thickness 2.0mm, rim thickness 2.2mm, 6 colors available
- Available models: iPhone 17 series and Samsung S26 series etc

Thicker Transparent Metal Kickstand TPU+PC Magsafe Shock Absorption Case

...

Model No. PT-203

- 0-60 degree adjustable kickstand, hold the phone on table stably
- Anti-oxidation high quality raw materials, more transparent, long lasting clarity
- Strong N52/2400 gauss magnets, suction force up to 1.2kg
- Support fast&stable wireless charging, no signal effect, work with all magsafe accessories perfectly
- Four coners with shock absorption bumper design, drop test up to 1.2m
- Front edge higher 1.2mm than screen, back camera edge 1.6mm raised, anti-scratch protection
- Rear panel thickness 2.0mm, rim thickness 2.2mm
- Available models: iPhone 17 series and Samsung S26 series etc

Precise Camera Protection Crystal Clear TPU+PC Magsafe Shock Absorption Case

...

Model No. PT-140

- Upgrade full camera protection, perfect shatterproof and dustproof
- Anti-oxidation high quality raw materials, more transparent, long lasting clarity
- Strong N52/2400 gauss magnets, suction force up to 1.2kg
- Support fast&stable wireless charging, no signal effect, work with all magsafe accessories perfectly
- Front edge higher 1.2mm than screen, back camera edge 2.5mm raised, anti-scratch protection
- Rear panel thickness 1.5mm, rim thickness 1.8mm
- Available models: iPhone 16/17/SE series and Samsung S25/26/FE series etc

Precise Camera Protection Skin-Feel TPU+PC Magsafe Military-grade Case

Model No. PT-141

- Upgrade full camera protection, perfect shatterproof and dustproof
- Skin-feel painting, smooth and soft touch, anti-stain and anti-finger mark
- Strong N52/2400 gauss magnets, suction force up to 1.2kg
- Support fast & stable wireless charging, no signal effect, work with all magsafe accessories perfectly
- Rugged 360 degree military-grade protection, drop test up to 10 feet
- Front edge higher 1.0mm than screen, back camera edge 1.5mm raised, anti-scratch protection
- Rear panel thickness 2.0mm, rim thickness 2.2mm, 9 colors available
- Available models: iPhone 17 series and Samsung S26/FE series etc

Thicker TPU+PC Magsafe Crystal Case

...

Model No. PT-110

- Thicker TPU+PC Magsafe Crystal Transparent Shock Absorption Case
- Thickness of TPU and PC all are 2mm
- Strong N52/2400 gauss magnets, suction force up to 1.2kg
- Fast & stable wireless charging, no signal effect, 360 degree rotation charging
- Four coners with shock absorption bumper design, drop test up to 1.2m
- Front edge higher 1.2mm than screen, back camera edge higher 0.5mm, anti-scratch protection
- Available models: iPhone17/16 series/SE4 , Samsung GS26/25 series, Google pixel 9/10 series

Foldable Integrated Windshield & Dashboard 2 in 1 Magsafe Car Holder

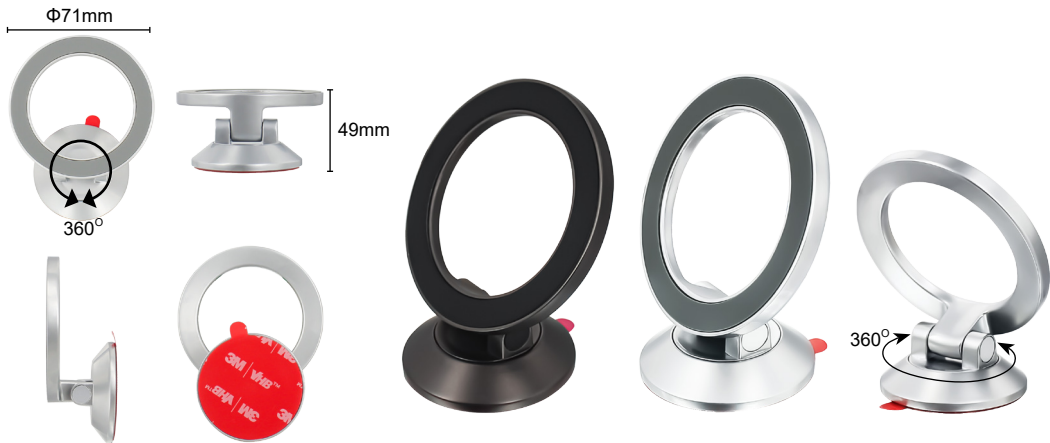

...

Model No. CX03021

Key Features and Functions

- Dual joints design, easily fold and adjust to ideal angle and position
- Built-in full circle N52 strong magnets
- Firmly attach directly to the IP12 or later models and all mobile phones with Magsafe case
- Suction cup with sticky gel, can be mounted onto windshield or any other flat surfaces
- Metal tube length 65mm, durable and flexible

Full Metal Hollow Circle Foldable Integrated Dashboard Magsafe Car Holder

Model No. CX03022

Key Features and Functions

- 360 degree rotatable base, flexible joint offers easy folding and adjusting
- Built-in full circle N52 strong magnets
- Firmly attach directly to the IP12 or later models and all mobile phones with Magsafe case
- Red 3M durable sticker, no residual when tear off

1 to 2 Transparent Panel Magsafe Car Holder with Metal Air-Vent Clip

...

Model No. CX02024

Key Features and Functions

- One set with transparent and semitransparent magsafe holder
- Dual-bulb air-vent mount with retractable metal clip
- Metal clip controlled by revolving of knob, easy to put on and take out
- Length range of clip: 7-25mm
- 360 degree easy rotation

Anywhere Dual Sticker Semitransparent Flexible Magsafe Car Holder

...

Model No. CX02023

Key Features and Functions

- Ultra-flexible multi-axis adjustable design, allowing for various installation positions and angles
- Built-in full circle N52 strong magnets
- Firmly attach directly to the IP12 or later models and all mobile phones with Magsafe case
- Special and outstanding logo position
- Red 3M durable sticker, no residual when tear off
- 360 degree easy rotation

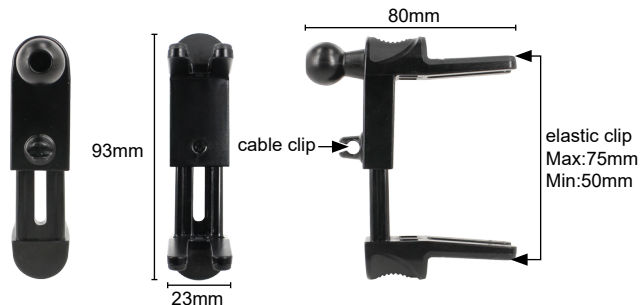

Benz Air-vent Super Slim High Shine Panel Magsafe Car Holder

...

Model No. CX06005

Key Features and Functions

- Latest designed elastic air-vent clip, fit for Benz air-vent perfectly, also can be used for other special air-vent
- Super slim high shine panel magsafe holder, thickness 4.4mm only
- Built-in N52 strong magnets, firmly attach directly to IP12 or later and all mobile phones with Magsafe case
- 360 degree easy rotation

Hollow Circle Windshield&Dashboard 2 in 1 Telescopic Magsafe Car Holder

Model No. CX02020

Key Features and Functions

- Built-in full circle N52 strong magnets
- Firmly attach directly to the IP12 or later and all mobile phones with Magsafe case
- Special and outstanding logo position
- 360 degree easy rotation

Hollow Circle Streamline Magsafe Air-vent Car Holder

...

Model No. CX02021

Key Features and Functions

- Built-in full circle N52 strong magnets
- Firmly attach directly to the IP12 or later and all mobile phones with Magsafe case
- Special and outstanding logo position
- 360 degree easy rotation

Sinohero Industrial Ltd is an experienced enterprise devoted to the R&D and manufacture of accessories for Smart phones and Tablets, including Wireless charger, USB charger, Holder, USB cable and so on. Our products enjoy a good reputation in North America and Europe market.

Strong R&D ability

By re-investing 30% of our annual revenue in R&D, we develop new items continuously according to the demand of the market. We conduct our R&D in various aspects, including circuit design, industrial design, configuration, material and modeling. We specialize in Power supply and Car accessories.

Quality control

We execute strict inspections from raw materials to final products to make sure all of your requirements are met.

Certifications for Easy Market Entry

Our products carry CE, UL/ETL, FCC, E-Mark and MFI approvals and comply with the RoHS, CP65 and Reach Directives.

Welcome OEM/ODM Orders

We welcome OEM/ODM orders. To benefit from our R&D ability, contact us now.
