COMPANY PROFILE

Cool World International is a comprehensive service supply chain management company focusing on the international market. It is a registered NVOCC of China MOC and the United States FMC. Its services cover maritime, air, rail, express, customs declaration, warehousing, FBA supply chain, etc.

COMPANY RELATED SERVICES

Sea freight service

We provide full container (FCL) and less than container (LCL) services worldwide.

Air freight service

We provide fast and reliable air transportation solutions for time-sensitive cargo.

Rail transportation service

When sea freight cannot meet your requirements, rail transportation can offer you an alternative to sea freight and air freight.

Cool World

COMPANY RELATED SERVICES
