碳罐
CARBON POT

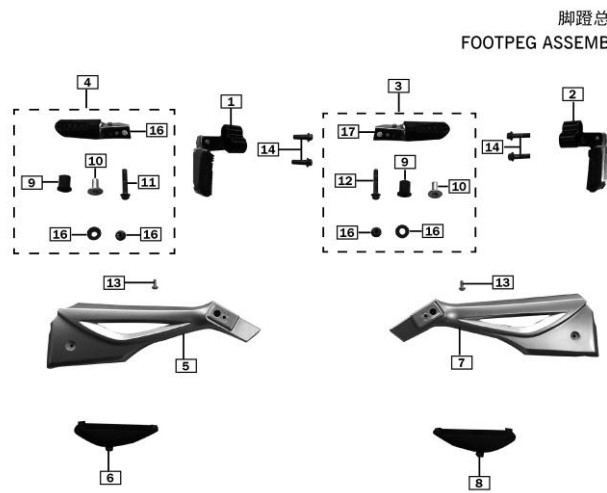

Exploded view diagram of a carbon pot assembly. The diagram shows the following components: 1. Carbon tank (61115-0022-0000), a large black rectangular unit. 2. Carbon tank mounting plate (17634-J0A2-00006n), a small L-shaped bracket. 3. Carbon tank bracket (17629-J0A2-00006N), a U-shaped bracket. 4. Damping valve (6116A-H327-0000), a small cylindrical component. 5. Oil pipe assembly (61314-0000-A015), a long, curved black pipe. 6. Oil pipe assembly (61314-0000-A018), a long, curved black pipe. 7. Flange bolt (B166741106001270L), a small bolt. 8. Oil pipe assembly (61314-0000-1300), a long, curved black pipe. 9. Nut (B061770106000060L), a small nut. The diagram is labeled with numbers 1 through 9 corresponding to the parts list.

油箱
FUEL TANK

Exploded view diagram of the fuel tank assembly. The central component is the fuel tank (1). Surrounding it are various parts: 2 and 3 are left and right decoration covers; 4 and 5 are their rear panels; 6 and 7 are brackets for the covers; 8 is the fuel sensor; 9 is the fuel cock; 10 is the fuel filter; 11, 12, 13, 14, 15, 16, 17, 18, 19, 20, 21, and 22 are various bolts, nuts, washers, and bushings used in the assembly.
