Means: online

Lecture Name: In the face of an emergency like an epidemic, how about S&OP/IBP?

Date & Time: Thursday, April 22, 2020, 20:00-21:45 PM

Professional Development Points: 1.5

Contents Introduction:

As governments around the world step up their efforts against novel coronavirus, companies around the world are trying to adapt to changing circumstances. We recommend that you take advantage of your existing S&OP/IBP processes and weekly planning and executive level processes to help you get through this time.

1. Do we need to make assumptions now?
2. Prevent passive responses
3. Harness the power of information technology
4. Manage anxiety to avoid process "amnesia"

Instructor Introduction:

Nancy Ding

- partner of Oliver Wight company in China.
- CPIM and CSCP certified lecturer; SCOR-P; six-sigma black belt
