- Q&A

Instructor Introduction

Terry Guo

- Specialist in dangerous-goods transport regulations.
- Provides consulting and training across the U.S., Asia-Pacific and China; holds U.S. CDGP and European DGSA certifications.
- Mr. Guo has more than 30 years of experience in dangerous-goods transport safety. He has repeatedly participated in technical exchanges with the U.S. Department of Transportation, China's Ministry of Transport, CAAC, and China Customs/Commodity Inspection. He has spoken and chaired expert panels at the China-U.S. Transportation Forum and numerous dangerous-goods transport summits, and actively joined Chinese delegations for study tours and training with U.S. authorities.
- Certified as a dangerous-goods instructor by the Civil Aviation Administration of China and IATA/CBTA, he has delivered IMDG, IATA and other air/sea/land dangerous-goods regulation courses throughout the U.S., China and wider Asia-Pacific.
- Professional memberships include IHMM, COSTHA, DGAC, etc.
