Event Name: How to Choose Between MTS, MTO, and ETO? Resolving the Contradiction Between Supply Chain Efficiency and Customization

Venue: Online ; **Event No.** 25519 **Date & Time:** August 6th, 2025; 20:00-21:30

Event Hours: 1.5h ; **Professional Development Points:** 1.5

Event Content

- Supply chain cycle, order cycle, decoupling cycle
- Short and medium-term challenges in supply-demand balance
- Selection of MTS, MTO, and ETO
- Challenges and best practices for each

Instructor Introduction

Hua Feng

- Vice President of APAC Product Supply at Worldkitchen, former Director of APAC Supply Chain at Owens Corning and Director of APAC Materials at Lear
- With over two decades of experience in engineering, procurement, supply chain, production, safety, and quality within Fortune 500 foreign manufacturing companies:
- Spearheaded numerous local and global supply chain improvement projects in procurement and supply chain practice, promoting the extensive application of lean philosophy and information technology in supply chains.
- Her long-term leadership roles across different industries, countries, cultures, and domains have fostered innovative thinking, strategic decision-making, and a knack for talent motivation and leading multicultural teams.
- Having progressed from supervisor to manager, director, and vice president, she brings strong practical expertise in supply chain solutions.
