Event Name: Supply chain cost reduction system strategy

Venue: online; Event No. 20275; Date & Time: September 02, 2020; 20:00-21:45

Event Hours: 1.5 h; Professional Development Points: 1.5

Event Introduction :

We need to re-examine the meaning of cost, in-depth analysis of the main causes of cost. From procurement to supply chain, marketing, RESEARCH and development, and even the company's business strategy. Only by recognizing "cost" from top to bottom and formulating systematic management strategies can we achieve the original goal of "reducing ineffective cost, improving strategic position of the company, and finally winning competition and retaining customers".

1. Brief introduction of my supply chain management practice and learning
2. Requirements of new industrial society for supply chain management
3. Introduction to SCOR supply chain operation model
4. Main components of supply chain cost
5. System cost reduction strategy

上海史考姆企业管理咨询有限公司 上海市七莘路 1839 号财富 108 广场南座 3005 邮政编号 201101 电话 86-21-54281551
