Event Introduction

Join us for a 1.5 hour webinar focusing on Intelligent Excel template, fast, low-cost, and customizable for your functions!

In this seminar, the club invited senior supply chain management teacher Lu, who has been working in the field of supply chain management for over 20 years. In recent years, he has conducted in-depth research, development, and application promotion of Excel, and has used RSCP tools to provide guidance and implementation for multiple enterprises.

Teacher Lu shared the bottom logic, content, case studies, and implementation experience of the intelligent Excel template. Through interactive Q&A, he helped everyone understand and like RSCP, an intelligent and fast tool, and was able to develop management modules as needed.

Instructor Introduction

Ye chen Lu

Mr. Lu is a senior supply chain management expert at SCOM and a co-founder of the development and application of intelligent EXCEL templates. He has served as the COO of European manufacturing enterprises and has over 25 years of rich experience in supply chain, procurement, and operations management.
