Venue: online ; Event No. 23425 ; Date & Time: August. 3, 2023; 20:00-21:30

Event Hours: 1.5h ; Professional Development Points: 1.5

上海史考姆企业管理咨询有限公司 上海市七莘路 1839 号财富 108 广场南座 2316 邮政编码 201101 电话 86-21-54281551

#### Event Introduction

Join us for a 1.5 hour webinar focusing on the Training of demand planners.

In the seminar, you will learn about the role of planners in the supply chain, what information maps are required for demand planners to enter new companies, important KPI indicators, basic ideas for planning requirements, simple case templates for demand planning, and summary of logistics experience thinking.

#### Instructor Introduction

##### Jianping Tian

With 18 years of experience in supply chain logistics management, engaged in logistics project management and supply chain process optimization.

In the past 18 years, she has experienced 5 years of supply chain management experience in Taiwanese funded enterprises, 2 years in private enterprises, and over 11 years in foreign enterprises. Currently engaged in demand planning management for the Asia Pacific region in a foreign-funded enterprise.
