Event Name: Efficient supplier development and evaluation

Venue: online; **Event No.** 21292; **Date & Time:** January 20, 2021; 20:00-21:30

Event Hours: 1.5 h; **Professional Development Points:** 1.5

Event Introduction :

Supplier management, selection is more important than good management! In the face of the various risks brought by the uncertainties of the VUCA era to the supply chain, as a purchaser, how to develop suppliers that meet the needs of enterprises quickly, accurately and efficiently?

1. Supplier development based on full life cycle management and category strategy
2. Effective path for rapid expansion of supplier development channels and accurate selection
3. Procurement tools that collaborate with quality and R&D to quickly set development requirements
4. Techniques to effectively prevent the suppliers from continuing problems after passing the audit

Instructor Introduction

Xing QingFeng

He is a senior trainer and consultant in purchasing and supply chain management. He is CPSM certified by the Institute for Supply Management. He has 16 years of working experience in purchasing and supply chain team

上海史考姆企业管理咨询有限公司 上海市七莘路1839号财富108广场南座3005 邮政编码201101 电话86-21-54281551

我们助您创未来

management of 500 European and American multinational companies. He is also the co-author of the bestselling book Supply Chain Quality Line.
