Event Name: How to practice the "fire eye" and choose logistics suppliers

Venue: online; Event No. 20283; Date & Time: October 28, 2020; 20:00-21:45

Event Hours: 1.5 h; Professional Development Points: 1.5

Event Introduction :

When enterprises consider outsourcing logistics services to focus on their core competitiveness, how to choose professional and appropriate service providers among a large number of logistics suppliers is particularly important. Faced with a pile of lists, information and referrals from logistics suppliers, do you feel like you can't tell apart and long for a pair of "fire eyes" to help you? This webinar will introduce the methods and examples of choosing logistics suppliers to help you make the right decision.

- 1.The process of selecting suppliers;
- 2.Methods of selecting logistics suppliers;
- 3.Establish evaluation standards for logistics suppliers.

Instructor Introduction

Jane Zhu

Certified Instructor by APICS;

Certified City & Guilds International Trainer ;

Certified National Professional Trainer

Her lectures are vivid and logical. Combined with her many years of professional experience, she combines many classic cases in practical work with the course content to guide students to master the professional knowledge and professional tools of supply chain management, which is highly practical and highly praised by students.
