

## Brochure

We embrace sustainable urban lifestyle.

Shenzhen Weideli Industrial Company Limited

### Origin of Jazz Brand

Pronunciation of Jazz is about purity and clarity in Chinese language, which fits the idea of our compostable paper products aim at minimizing carbon footprint to environment by sustainable pulp sources and avoidance of bleaching chemicals in particular series.

### Customer Satisfaction

As an ISO9001:2015 certified corporate, all our production and operation are under proper procedures which guarantee the requirements are met in aspect of quality, performance, and compliance. Improving product is one of major continuous procedures based on feedback from customers, markets and product developers.

### Customize solutions for your business

Weideli Industrial Company specializes in paper food and drink packages, offering an extensive selection of quality paper napkins, paper cups, paper bowls and wooden cutlery for your catering service needs. Our flexible production capabilities allow us to accommodate any customer-specific requirements, including various sizes, GSM, cutting and packing, as well as short-run and long-run orders. Contact our sales team for further information.

## Introduction

### Manufacturer of Jazz Products Shenzhen Weideli Industrial Co. Ltd.

Jazzi products are produced by Shenzhen Weideli Industrial Co. Ltd. with over 20 years of experience from our factory in South China which covers 6,000 square meters.

As one of major suppliers of famous catering chain brands in Asia regions, we guarantee long term production capacity while providing flexibility on product specification and design. Our product lines cover paper napkins, toilet paper, paper towels, dust-free paper, paper cups, paper bowls, chopsticks, toothpicks, disposable eco-friendly lunch boxes, disposable wooden cutlery and spoon set packages, more than 500 products in total.

Our sales network covers more than 20 countries. Our products are of excellent quality and have passed FSC system certification, various production local licenses, and food-grade hygiene licenses.

*Jazzi Paper Products is the registered brand owned by **Shenzhen Weideli Industrial Company**, a leading paper cup and napkin manufacturer in South China with 20 years of experience in the industry. The factory has been supplying catering disposables and food packaging to major catering corporates in China and Asia regions.*

### Eco-Friendly production of Jazzi

Our Eco-Friendly product series are made by materials certified by European Bioplastics scheme which guarantees the compostability compliance to European standard EN 13432.

Sustainability is also an important part of our raw material sourcing. All Jazzi product paperboard comes from Forest Stewardship Council (FSC) certified sustainably managed forests. We also aim to minimize waste and maximize recycle for scrap in our production process.

### Target of Jazzi Paper Products

Jazzi product lines are designed to end-customers or SME vendors who need SKU with packing in flexible sizes and volumes. We offer full line of single and double-wall paper cups, eco-friendly lids, bio disposable cutlery, accessories and short run prints of customized paper cups. Sustainability is one of key elements of our products. We embrace green catering in urban lifestyle by application of innovative eco-friendly biodegradable materials.
